Sir Sondolphon...
Sir Sondolphon...

I believe that he is not in home...
I can't even call him by phone, cause he doesn't even have one...

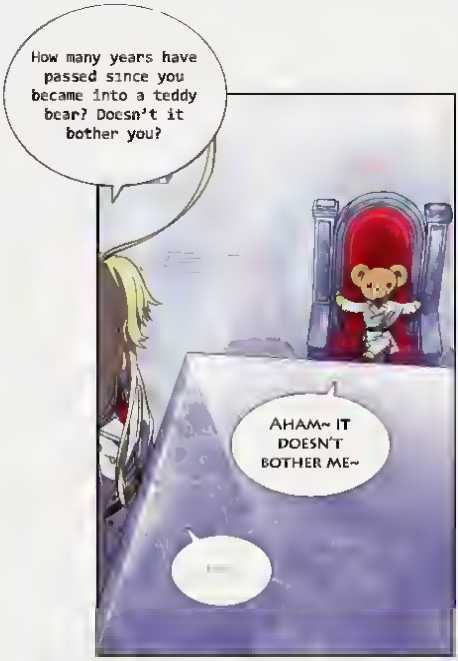
¡¡Riiiing!!
¡¡Kyaaah!!

He... Hello?
Heartbeat
Heartbeat
Bobiel? And how's Sandalphon?
Oh, ermm-...I...I think that he's not in home...

He isn't?
It seems that the key witness isn't coming.

...I'll send Sandalphon's testimony later.
Don't worry. Fighting with Ishtar isn't a big deal, plus Sandalphon wasn't the only one who saw her.
For example, you also saw her

Okay..
But... Sir Michael...
¿Hmm?
Archangel Michael
Commander in Chief
of the troops of
heaven



How many years have passed since you became into a teddy bear? Doesn't it bother you?
AHAM~ IT DOESN'T BOTHER ME~

Well...the reason I called you here today...
As you may have heard,

The underworld has violated the mutual peace agreement
Therefore, we're going to find a drastic sanction for them.

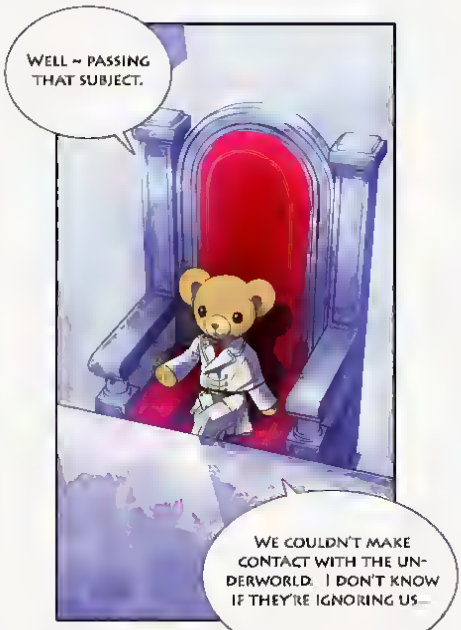
Huh? Where are Sir Rafael and Sir Remiel?
Oh, about that... They've just called me saying that they couldn't come today, because there is a lot of work to take care of.
Eeh?! I insisted to them coming today, since there was something important to talk about!!

It isn't an imprudent move by Ishtar? Have you tried calling to the underworld?
Archangel Sarakiel

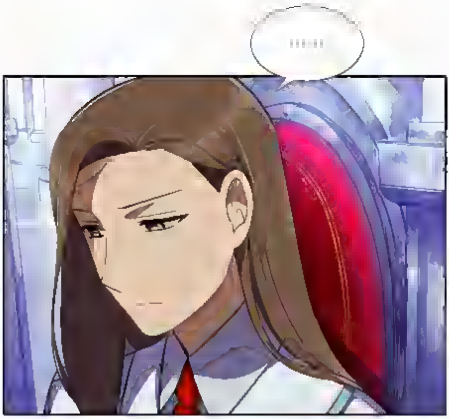
Are you saying that it was a voluntary act of Ishtar? I don't think so.
If she's looking for Sophia, then this should be an order of Lucifer.
Archangel Raguel

Then how the hell did they found Sophia?
Gabriel. I think that you were in charge of hiding Sophia's presence

About that, there was a small problem with Sandalphon during the transfer process.
And in that short period of time, they found Sophie.
ARCHANGEL GABRIEL

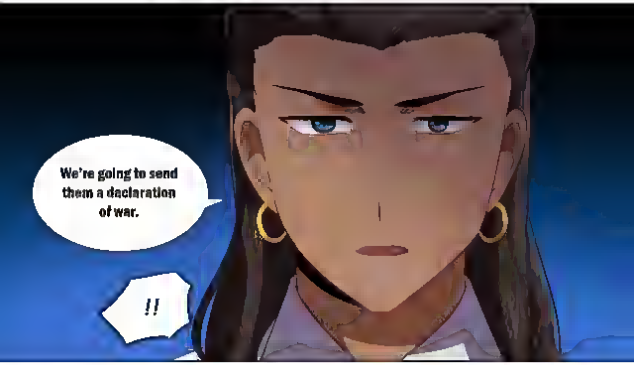


WELL ~ PASSING THAT SUBJECT.
WE COULDN'T MAKE CONTACT WITH THE UNDERWORLD. I DON'T KNOW IF THEY'RE IGNORING US—



.....

So, there's one choice left...



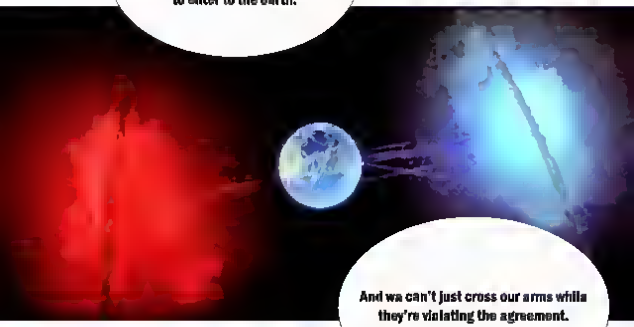
We're going to send them a declaration of war.
!!

But we had many losses in the last war! We have to consider well that opti

If we don't solve this problem as soon as possible, we'll repeat the same mistake again.

The mutual peace agreement was created to avoid wars.

Remember that the underworld have lost the last war. Therefore, high-level demons were forbidden to enter to the earth.



And we can't just cross our arms while they're violating the agreement.

If we choose that option, it will only bring chaos and destruction!
We can judge them after hearing their justification.
Why the hell do we have to listen to the culprits who have violated the agreement first?!
Because war isn't the answer to everything!

You're still a coward Sarekiel!
If being a coward means having fear sacrificing lives, then I'll be a coward!
Hah! Do I have to repeat that again?! Without sacrifice, we can't achieve anything!!
If sacrifices are needed, then we have to reduce them! Since it's our job!
Oh...I've forgot that...

So your idea about having a talk is better then sacrificing for the sake of all?!
I'll not fall into the taunt of the opponent!
So you will also be responsible if the things go wrong, right?!
These two always acted like this…

Sir Michael… Can you put some order plea…
Sleeping…

Sir Michael!!
EH

DECIDE IT WITH ROCK, PAPER, SCISSORS~

Uriel, send me a text message with the results, okay?
Gabriel...!!

And Uriel had a huge headache.

Answer
Sir Gabriel.
Randiel, are you still on earth?
Yes Sir.

I was thinking about talking to that girl after a long time
Pass me the coordinates of her location
But she is with Sandalphon, Sir...
Oh, don't worry about that

I'll personally talk with Sandal-phon about that.

Rock
Paper.

Scissors!!
Rock Scissors

Damn it!
Is there another angel who disagrees with this?
...Although the only ones left are me and Uriel.
They really decided with rock, paper or scissors...

DON'T GET DEPRESSED URIEL.
BESIDES, YOU ALREADY KNEW THAT THIS WAS GOING TO HAPPEN.

WHEN THAT BOMB CALLED SOPHIE APPEARED,
THINGS WILL END IN THIS WAY.

.....
... We...

We will obey the orders of our Lord...

Ping-

¿Are we there yet?
Ok

Let's go!!
